Signature is a registered trademark of Metal Building Components, L.P. Galvalume Plus is a registered and protected trademark of BIEC International, Inc.
 ❖ The Galvalume Plus® coating is subject to variances in spangle from coil to coil which may result in noticeable shade variation in installed panels. The Galvalume Plus® coating is also subject to differential weathering after panel installation. Panels may appear to be different shades due to this weathering characteristic. If a consistent appearance is required, MBCI recommends that pre-painted panels be used in lieu of Galvalume Plus®. Shade variation in panels manufactured from Galvalume Plus® coated material do not diminish the structural integrity of the product. These shade variations should be anticipated and are not a cause for rejection.

Consult the MBCI FLEXLOK® TECHNICAL/PRODUCT MANUAL for proper product application, design details and other product information.

PANEL PRICING:

1. All pricing is based on net coverage.
2. For short panel lengths, add: \$3.70 per panel for panels 4'-0" in length and shorter.
3. Add \$7.55 per square for embossing.
4. See page ARP-25 for clip pricing.

PACKAGING COST:

1. Standard packaging: Plywood crate for all lengths with strippable film on panels.
2. Plywood crating: Add \$20.00 per square - \$200.00 minimum.
3. Special packagingPlease Inquire

DELIVERY:

1. 24 gauge - stocked colors (see back of Architectural Color Chart)Approximately 10 Working Days
2. Other gauges, colors and metalsPlease Inquire

NOTES:

1. All panel lengths longer than 20'-0"Please Inquire
2. Curved panel applicationsPlease Inquire
3. Heavier gauges, narrower widths and embossing may minimize oil canning.

IMPORTANT NOTICE TO INSTALLER/CUSTOMER: Material should be inspected carefully prior to installation for defects including excessive oil canning. Installation of material constitutes acceptance.
